THE ARTS OF GLASGOW

5 days – 4 nights. £1245 per person*

The Arts Society Farnham

8th - 12th September 2024

Glasgow is Scotland's biggest metropolis, and arguably its most energetic. Built on an industrial past, Glasgow has spent the last few decades emerging from its less than favourable reputation with a swagger and warmth that is unique to the city. Cosmopolitan and cultural, between the impressive Victorian architecture and medieval churches lie many an innovative museum. Glasgow is also home to an enviable collection of art galleries, and the city continues to progress its reputation for striking architecture with its modern glass and steel buildings for the post-industrial age.
